

March, 2005.

Jaguar Resources Board and Management are delighted to welcome you to the new website for the company. The website reflects the company through use of the colours associated with the organisations brand and logo as well as informing a world wide audience of Jaguar Resources in the following key areas...

- ❖ Company Profile
- ❖ Business Model
- ❖ Corporate Structure (PDF)
- ❖ Information on "Our People"
- ❖ Project Information, &
- ❖ A contact area with email form

The website is available through the internet, the fastest growing medium in the commercial world, as well as being a 24/7 market – thus available at all times.
